

July 19, 2017

Thank you!

On June 30th we published the Healthy By Design Community Health Improvement Plan (CHIP). A successful CHIP requires the participation of partners across multiple sectors of the community and we could not have done it without you!

To read more and to download the CHIP, check out the Healthy By Design website [here](#).

Highlights & Connections

Partner Highlights

LIFTT (Living Independently for Today & Tomorrow):

What: Ice Cream Social and Silent Auction to celebrate the 27th anniversary of the Americans with Disabilities Act.

When: July 21st, 2:00pm to 4:00pm

Where: Terry Park

Head over to LIFTT's Website [here](#).

Billings Action for Healthy Kids:

Healthy By Design Coalition partner, Kathy Aragon, recently penned an article featured in *Western Planner* titled, "Planning for Schools and Community". The article discusses the importance of collaboration in making a "best-practice, well-informed, cooperative community decision" using school planning here in Billings as an example.

Check out Kathy's article [here](#).

Healthy By Design Events

Coalition Meeting *Postponed*:

The Healthy By Design Coalition Meeting scheduled for August is postponed. Stay tuned!

Gardeners' Market:

What: Weekly Gardeners' Market

When: Thursdays, 4:30pm to 6:30pm

Where: South Park

Details: The next few markets will include live music, the Master Gardeners', WIC and of course, fresh produce! Sign up to receive the Gardeners' Market newsletter on our website!

Gardeners' Market page [here](#).

Want to Get Involved with Healthy By Design?

Fill out our interest form [here!](#)

Heather Fink, MA
Community Health Improvement Manager
Healthy By Design
406.247.3272

Mission: To collaborate with partners across sectors of the community to promote and improve health.
