June 28, 2017

## Our 2017 - 2020 Community Health Improvement Plan is *almost here!*

This Friday, **June 30th**, our Community Health Improvement Plan (CHIP) will be published! The CHIP presents a long-term systematic plan to address prioritized health problems of our community. The CHIP is informed by data in the Community Health Needs Assessment (CHNA) and a community improvement process. Creating a successful CHIP involves participation across multiple sectors of the community. Thank you for your involvement!

To read more and to download the CHIP, check out the Healthy By Design website [here](#).

## In the News...

### Helping High-Risk Patients on *PBS*

Watch as *PBS* highlights our Super Utilizer/Care Transitions project, which employs Community Health Workers to identify and improve the health and well-being of high-needs patients. The segment specifically looks at Billings' sister site, Kalispell. [Watch it here!](#)

### Measuring the Effects of Childhood Experiences on *A Better You*

Watch *Healthy By Design's* Nathan Stahley discuss Adverse Childhood Experiences (ACEs) on KTVQ'S *A Better You* segment. *A Better You* has dedicated three segments to discussing ACEs, so be sure to catch all three!
