

## Hey Yellowstone County!

*Let's build healthy connections across our community!*

This summer, engage in fun, creative activities with your neighbors.

### Connecting Neighbors Challenge

Let's create a movement by sharing your neighborly fun - snap photos of you doing any of the activities below and share it with your friends. Tag us or message us on Facebook (@HBDYellowstone) or email [info@hbdyc.org](mailto:info@hbdyc.org) so we can include your photo in our effort.

(Pro tip – if your Facebook is set to private, we can't see your photos)

Who knows... we may even randomly choose a few participants for some fun prizes!
