## Project Highlights and Updates Fall 2022

### In a nutshell . . .

The Healthy Neighborhood Project, a collaboration of the Healthy By Design Coalition, was launched in 2016 with initial funding from the Kresge Foundation. This newsletter informs organizational representatives and community residents on the progress made from this grant and provides updates showcasing the great work done to make the South Side, The Bright Side of the Tracks.

## South Sidewalks

In July of 2022, the final sidewalks were installed and stamped with poetry compiled by residents. A total of 18 poems are scattered along the streets of this historic neighborhood, sharing a glimpse of what it means to be a South Sider. Immerse yourself in residents' lived experiences by downloading the map, listening to the podcast, and taking a walk to find the poems!

## Box Wraps

Local artists put their spin on many of the electrical boxes in the neighborhood, showcasing a variety of technique and imagery that captures the history and pride of the South Side. You can find these on the streets of 1st Ave South, State Ave, South Park and Highland Park. See if you can find all 9!

## Bright Side Businesses

South Side Businesses met in October of 2022 to discuss the continuation of support efforts to make the South Side a healthy and vibrant place to live, work, and play. If you own or operate a business in or around the South Side triangle and are interested in learning more, email [info@hbdyc.org](mailto:info@hbdyc.org)

## South Side stories

Learn the history and important community aspects of the South Side neighborhood through South Side Stories! These 2 podcast episodes are available to take you on a journey highlighting key components of what makes the neighborhood special. Sidewalk stickers in the warmer months mark points of interest on the maps.

## Community bulletin board

A new addition to the neighborhood is the South Side community board, located at South Park on S. 28th street and 7th Avenue S. You will find updates related to neighborhood events and opportunities to get involved. Join the South Side Neighborhood Task Force on the third Thursday of the month from 6:30-8:00 pm at the HOPE Center. Check out their Facebook for more information!
