

2022-2023 Yellowstone County Community Health Needs Assessment

Data Packet: Heart Disease & Stroke

Recommended Citation: Professional Research Consultants, Inc.

2023 Community Health Needs Assessment Report: Yellowstone County, Montana

hbdyc.org/CHNA – Published January 4, 2023

How to Use This Data Packet

The graphs, data points, trends, and other insights shared in this data packet can be utilized when seeking:

- Verified local data for data acquisition or utilization purposes such as grant applications, local and non-local trend tracking, etc.
- High resolution slides for use in presentations or educational materials.
- Accessible, accurate data to increase understanding of community health topics and health disparities.
- A condensed, topic-specific alternative to reading 200+ pages of data!

Key Takeaways – Heart Disease & Stroke

- Since 2005, the prevalence of heart disease and stroke diagnoses have been comparable to or lower than state and national rates.
- **Yellowstone County (YC) outpaces state and national rates for age-adjusted heart disease deaths**, a trend that has grown rapidly since 2013-2015.
- While reports of high blood pressure have risen since 2005, **reports of high blood cholesterol have not significantly increased nor decreased** during that timespan.
- **86.5% of YC adults report one or more cardiovascular risk factors**, including being overweight, physically inactive, or having high blood pressure or cholesterol.
 - Since 2005, Yellowstone County has not seen consistently predictable decreases in this figure.

Heart Disease: Age-Adjusted Mortality

(2018-2020 Annual Average Deaths per 100,000 Population)

Healthy People 2030 = 127.4 or Lower (Adjusted)

- Sources:
- CDC WONDER Online Query System. Centers for Disease Control and Prevention, Epidemiology Program Office, Division of Public Health Surveillance and Informatics. Data extracted July 2022.
 - US Department of Health and Human Services. Healthy People 2030. August 2020. <http://www.healthypeople.gov>
- Notes:
- The Healthy People 2030 Heart Disease target is adjusted to account for all diseases of the heart.

Heart Disease: Age-Adjusted Mortality Trends

(Annual Average Deaths per 100,000 Population)

Healthy People 2030 = 127.4 or Lower (Adjusted)

	2011-2013	2012-2014	2013-2015	2014-2016	2015-2017	2016-2018	2017-2019	2018-2020
Yellowstone County	150.9	147.8	146.2	148.1	155.3	165.1	166.5	170.0
MT	154.1	151.0	152.6	152.7	155.1	157.5	158.4	161.0
US	190.6	188.9	168.9	167.5	166.3	164.7	163.4	164.4

- 2023 PRC Community Health Survey, PRC, Inc. [Item 114]
 - Behavioral Risk Factor Surveillance System Survey Data. Atlanta, Georgia. United States Department of Health and Human Services, Centers for Disease Control and Prevention (CDC): 2020 Montana data.
 - 2020 PRC National Health Survey, PRC, Inc.

- Notes:
- Asked of all respondents.
 - Includes diagnoses of heart attack, angina, or coronary heart disease.

Prevalence of Stroke

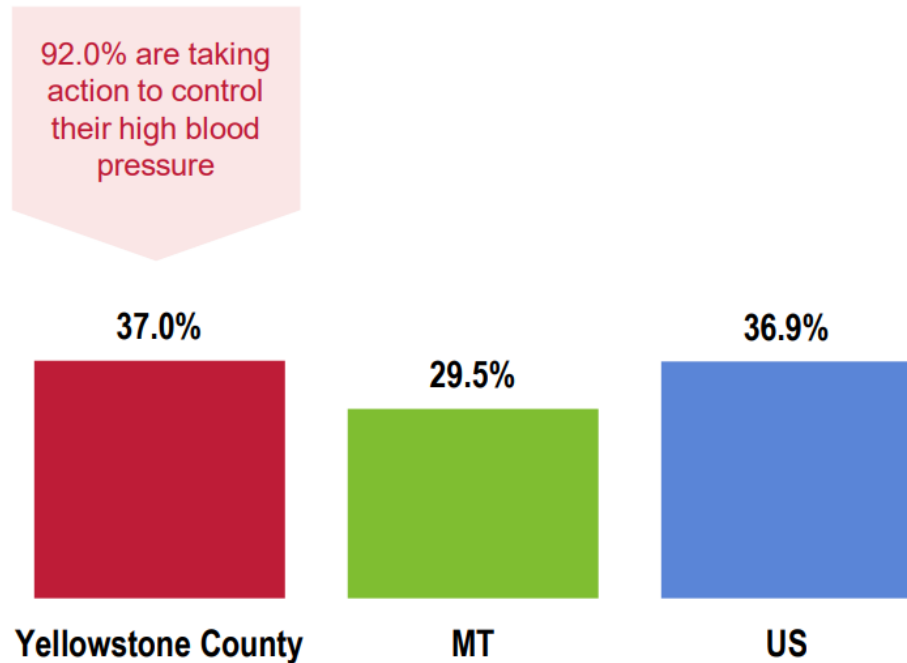

Sources: ● 2023 PRC Community Health Survey, PRC, Inc. [Item 29]
● Behavioral Risk Factor Surveillance System Survey Data. Atlanta, Georgia. United States Department of Health and Human Services, Centers for Disease Control and Prevention (CDC): 2020 Montana data.
● 2020 PRC National Health Survey, PRC, Inc.

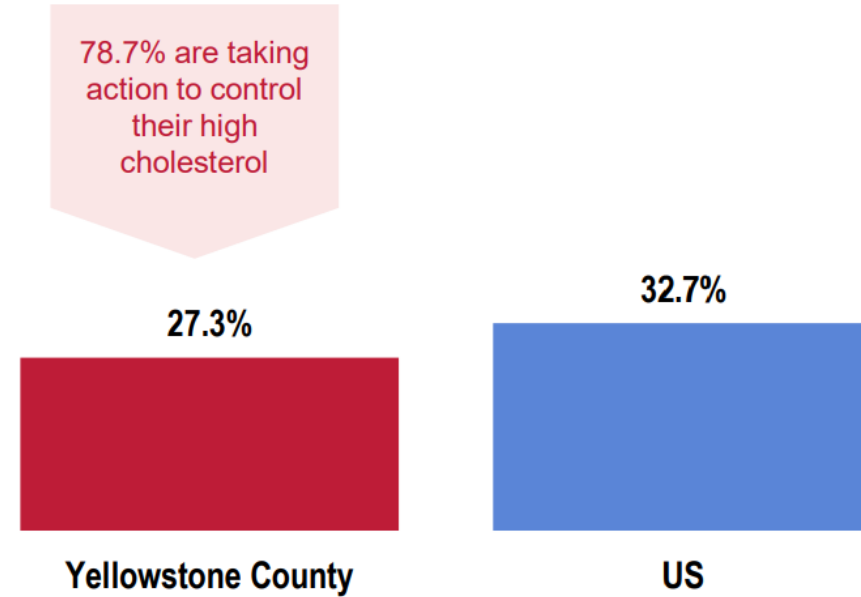

Notes: ● Asked of all respondents.

Prevalence of High Blood Pressure

Healthy People 2030 = 27.7% or Lower

Prevalence of High Blood Cholesterol

- Sources:
- 2023 PRC Community Health Survey, PRC, Inc. [Items 35-36, 303-304]
 - Behavioral Risk Factor Surveillance System Survey Data. Atlanta, Georgia. United States Department of Health and Human Services, Centers for Disease Control and Prevention (CDC): 2020 Montana data.
 - 2020 PRC National Health Survey, PRC, Inc.
 - US Department of Health and Human Services. Healthy People 2030. August 2020. <http://www.healthypeople.gov>
- Notes:
- Asked of all respondents.

Prevalence of High Blood Pressure (Yellowstone County)

Healthy People 2030 = 27.7% or Lower

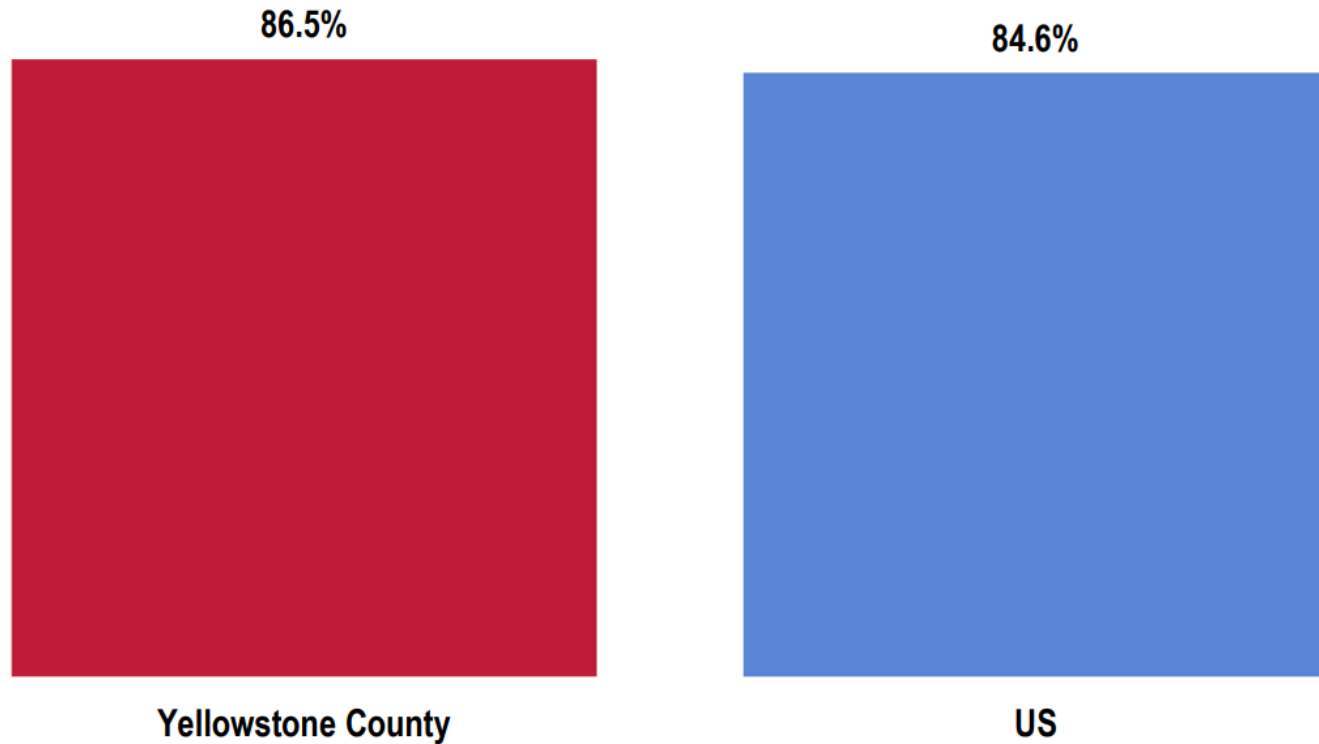

Prevalence of High Blood Cholesterol (Yellowstone County)

Sources: • 2023 PRC Community Health Survey, PRC, Inc. [Items 35-36]
• US Department of Health and Human Services. Healthy People 2030. August 2020. <http://www.healthypeople.gov>
Notes: • Asked of all respondents.

Present One or More Cardiovascular Risks or Behaviors

Sources: ● 2023 PRC Community Health Survey, PRC, Inc. [Item 115]

● 2020 PRC National Health Survey, PRC, Inc.

Notes: ● Reflects all respondents.

● Cardiovascular risk is defined as exhibiting one or more of the following: 1) regular/occasional cigarette smoking; 2) high blood pressure; 3) high blood cholesterol; and/or 4) being overweight/obese.

Present One or More Cardiovascular Risks or Behaviors (Yellowstone County, 2023)

Sources: ● 2023 PRC Community Health Survey, PRC, Inc. [Item 115]

Notes: ● Reflects all respondents.

● Cardiovascular risk is defined as exhibiting one or more of the following: 1) regular/occasional cigarette smoking; 2) high blood pressure; 3) high blood cholesterol; and/or 4) being overweight/obese.

Key Informant Input

Perceptions of Heart Disease and Stroke as a Problem in the Community (Key Informants, 2023)

■ Major Problem

■ Moderate Problem

■ Minor Problem

■ No Problem At All

Sources: ● PRC Online Key Informant Survey, PRC, Inc.

Notes: ● Asked of all respondents.

Key Informant Input

Key informants highlighted topics such as:

- **Costs** for prevention and treatment.
- Lack of **healthy food access and education**.
- Potential hesitancies to make individual **lifestyle changes** when discussing the level of concern surrounding heart disease and stroke in our community.

“Heart disease is the leading cause of death in Montana. **Because a lot of people do not have insurance, and perhaps are lower-income earners, they do not go to the doctor.** Many do not take a proactive approach with their health by exercising and eating healthy meals. Smoking can also be a contributing factor. **Many people also are probably more apt to ignore symptoms because they cannot afford treatment.**” – Social Service Provider

Health Forecast

HEART DISEASE & STROKE	Yellowstone County	vs. MT	vs. US	vs. HP2030	TREND	HEART DISEASE & STROKE	Yellowstone County	vs. MT	vs. US	vs. HP2030	TREND
